Note: Results here differ from Regatta day as we allowed competitors to ski against their friends. After all it was in fun. Results here indicate where individuals placed in their actual age groups. (per Canadian Waterski regulations)

A thank you and congratulations to all the competitors for coming out to compete and showing their skills.

Thanks as well to Brad Fairbrass and Gord Kobe for driving and scoring the event.

A special thank you goes out to the Fairbrass family for allowing the lake to put another 2 hours of run time on their boat.
