

An Invitation to Participate

During November, the Adopt-A-Pond Wetland Conservation Programme of the Toronto Zoo will be hosting a series of focus group sessions with Muskoka area waterfront property owners. These sessions will be an opportunity to discuss and share opinions related to lake management planning and other issues relevant to waterfront property owners. We are interested in speaking with individuals who have been involved with the development of lake management plans and/or who own waterfront property in the District Municipality of Muskoka. Individuals living on Ontario's lakes and rivers are a select group who can offer an extraordinary wealth of information about some very important issues. It is crucial to the development of one of our next big projects that we partner with these individuals to gain their insight and exchange information.

No experience or knowledge is necessary to be part of these sessions.

All participants will receive a \$25 gas voucher to cover transportation costs.

After speaking with representatives from several lake associations it has been decided that sessions will take place at two different locations, leaving participants free to attend whichever is more convenient.

Session 1

Saturday November 21st

10:30am-12:00pm

Bracebridge United Church

46 Dominion St., Bracebridge

(participants will be provided lunch following the session)

Session 2

Saturday November 28th

10:30am-12:00pm

Toronto Zoo Administrative Building

361A Old Finch Ave, Scarborough

(participants will be provided lunch and free admission to the zoo following the session)

If you are interested in being part of one of these fun and informative events please contact Erin Nadeau at enadeau@torontozoo.ca or 416-392-5999.
